Chinese Finance Association of America cordially invites you to join us for

2012 Chinese New Year Reception

With the increased uncertainty of the global economic recovery and ongoing European debt crisis, we are going to send off the year of Rabbit and welcome the new year of Dragon. CFAA would like to provide you with a great opportunity to socialize and network with other finance professionals and learn from our distinguished keynote speaker, Mr. Uwe Schillhorn, CFA, Managing Director, Head of Emerging Markets Debt at UBS Global Asset Management. Mr. Schillhorn will discuss the global economy, as well as the disappearance of riskless assets in the developed world and the impact on capital flows. He will also comment on the role of China as it relates to this topic. You will meet some new friends, catch up with old acquaintances, enjoy the conversation and speeches, or just simply unwind over cocktails and hors d'oeuvres. Don't miss this fun and wonderful event.
